

**Judy Wise Sunday 21st March 2010**

## **Big Girl Dolls**

In this class we will each be making a sculptured doll out of Sculpey clay, wire, bits of textile and ingenuity. Judy will gently guide you through the creative process as we shape and bake the body parts and fashion the fabric trim for our creations.

There will be several styles of doll to choose from or you are welcome to investigate in your own direction. There will be lots of sharing, demonstrations and suggestions as Judy shows you her modeling and painting approach.

You will take home a finished doll and many new skills using Sculpey clay. (Note: Most of these techniques are also suitable for Paper Clay.)

### **Supply List:**

- 1 box of White Sculpey
- 4 round chopsticks
- An exacto knife
- Ribbon, fabric for skirt (opt) or lace
- Needle and thread
- Craft paints:
  - flesh tone Ceramcoat,
  - burnt or raw umber,
